Recommendation Factors

Our steering committee researched and discussed each candidate. These recommendations are the result of that effort. **For more info on each candidate, please visit our website**

David Rose New candidate, software developer, long time resident of New Hampton.

Tom Ploszaj Libertarian, early Free Stater, supported gutting of the county budget 2020-2022, shifted from supporting libertarian takeover & Mike Syliva at the last minute.

Bill Wright We remain neutral on incumbent Bill Wright

Michael Muzzey Former banker serving as county treasurer for over a decade without fuss or chaos. Reasonable and responsible track record.

Alan Glassman Conservative incumbent who returned as a write-in to fend off Norm Silber in Primary. Reasonable and responsible advisor to county residents in probate matters.

Peter Spanos * Recommended: Incumbent Commissioner Spanos helped to stabilize the county budget in 2023 after years of mismanagement by libertarian-led County Delegation and was strongly pro-Gunstock in 2022.

* Center Harbor only
