Glen Aldrich Extremist Free State libertarian from NJ, one of only 13 state reps supporting NH's secession from the U.S., supported libertarian take-over of Gunstock Area Commission, followed Mike Sylvia/Norm Silber efforts to gut the county budget. Mr Aldrich chose not to attend the District 6 Candidate Forum.

Russell Dumais Conservative incumbent who lives in Gilford, former teacher and business owner. Fierce defender of Gunstock and a return to responsible Belknap County government. Mr Dumais chose not to attend the District 6 Candidate Forum.

Jonathan D. Arsenault Made no effort to campaign or answer questionnaires.

Bob McLean Committed to local community as Gilford school board member and coach, town budget committee, years as ski instructor at Gunstock. Stated positions indicated reasonable and responsible positions on county institutions, funding levels.

David Nagel Incumbent and medical pain management specialist, Rep. Dr. Nagel is a key voice on medical and human services in the NH

House. He is reasonable and responsible on county issues and NH needs more reps like him.

Lena Nirk Former 15-year EPA professional, with second career in substance abuse counseling. Now retired, she volunteers with a number of organizations. We find her positions on county issues to be reasonable and responsible.

Harry H. Bean Conservative Incumbent and Gilford resident with deep roots in the community, small business owner. Credited with forcing reorganization of Belknap County Delegation, turning the tide on the libertarian takeover of Gunstock. Mr Bean chose not to attend the District 6 Candidate Forum.

Bill Wright We remain neutral on incumbent Bill Wright

Michael Muzzey Former banker serving as county treasurer for over a decade without fuss or chaos. Reasonable and responsible track record.

Alan Glassman Conservative incumbent who returned as a write-in to fend off Norm Silber in Primary. Reasonable and responsible advisor to county residents in probate matters.
